

Following ten years of success, our supremely popular range of Mogo Plastic Folding Tables has been modernised and upgraded. The new ZOWN Classic Collection features aesthetic, technical and ergonomic improvements and is manufactured in a new shark grey tone that replaces the traditional light grey shade. All tables are equipped with a smooth, new locking mechanism and the foot pads are inserted into the inner perimeter of the legs. The rectangular tables in particular have better ergonomics at the head, a lengthwise and crosswise joining system and an improved load capacity.

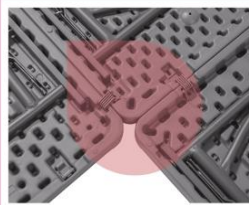

features and benefits

- Available from October 2019!
- Manufactured from 100% pure (first generation) high-density polyethylene, which is not mixed with recycled plastic polymers
- Superior load-bearing capacity of up to **408kgs!**
- Length-wise and width-wise table connectors
- Improved ergonomics means even those seated at the end of the table sit in comfort
- New, smooth manual locking mechanism. Includes automatic sliding rings to prevent undesired folding should the locking mechanism not be engaged properly.
- Integrated foot pads (foot pads are inserted into the perimeter of the legs)
- Individual polypropylene clips hold legs in position when folded. Solid and durable fastening device.
- UV and water-resistant protection - ideal for prolonged outdoor use (indoor storage recommended)
- Fold and store up to 20 tables on a Mogo Table Trolley
- Heat resistant up to 120°C
- Table top and frame in smart shark grey colour
- EN15372: 2013 – Level 2 – General Contract Use
- EN 581-1/-2/-3 - Outdoor Furniture for Contract Use
- Limited 10 year guarantee

Improved leg design - comfortable for those seated at the head of the table

Lengthwise and widthwise table connectors

New and very smooth manual locking mechanism

High density of vaults for added strength and durability
